• {Future Cat: You know those lovely <u>coincidences</u> you I warn you about, that you can't blame <u>anyone</u> for? The italics are now jammed <u>off</u> for blocks of text...6.9.17}.

Cat: You {parodied} <u>all</u> of that from a {website} reviewing Les <u>Miserables</u>...

Danna: Pizazz, Mittens.

• *Have I taught you nothing?* 

Cat: And your choice of review...

- and that it was written before your novella that is now being presented as a movie...
- *What's the title now?*

Danna: <u>Do</u> shut <u>up</u>, Mittens, or I promise I'll make this <u>more interactive</u> for you.

• You <u>need a role</u>, after all...<3

Cat: ... Narrator?

Danna: The <u>cast</u> is a little <u>small</u>.

- *I think* "bait" would work better.
- Your hubby can keep you, your mercenary can sell you, and your ex can shoot at you.
- Winner takes all.

Cat: How is this a *PERIOD* piece?

Danna: Simple.

- *Loverboy* has your *PMS*.
- *Always <u>has</u>.* <3

Cat: Um...PERSONAL FOR YOUR NOVELLA, IS THAT NOT!?

Danna: Yeah.

- <u>Heh</u>.
- *He'll be <u>pissed</u>.* < 3

Cat: <u>*Ugh...*</u>

Danna: Re*lax*, Mittens.

The scene changes.

Cat: *T...TOGA*?

Danna: Yeah.

- <u>Period</u> piece.
- <u>Happy</u>?
- Your *speaking roles are over now*, by the *way*.
- You'll be beheaded here for talking in public at your age.

Cat: This isn't Rome, is it...?

Danna: *No, it's <u>not</u>.* < 3

- Cartoon Latinica.
- Oh.
- *And the <u>loser</u> has to <u>marry me</u>.*
- {"Cartoon" in my world indicating unreality or delusion...I'm most familiar with Cartoon Prehistoria, myself...4.27.16}.
- {As legend goes in my Inner world, if you <u>lose</u> it in Cartoon Prehistoria, it <u>stays</u> there until you <u>find</u> it again. If your <u>form</u> loses an <u>arm</u>, apparently you can't grow one back. It's <u>worse</u> than <u>backward gravity</u>...2.10.17}.

Cat: ...There's no divorce...

Danna: Tough cookies, Mittens. < 3

Cat: You'd kill me to marry Lee?

Danna: I'd kill you to get close enough to torture Lee that badly. <3

Cat: ...You <u>could</u> end <u>up</u> with an a<u>sexual</u>...or your <u>ex</u>, <u>other</u>wise.

Danna: You're right, Mittens.

• This is poorly thought through. <3

Danna's voice lowers mysteriously.

Danna: In this story,

- my <u>father</u>, a god of <u>great power</u>,
- has made the decision for all of us...

Cat: ... You just decided that,

• and it's going to <u>impact</u> the <u>REAL</u> storyline.

Danna: Again, shut up, Mittens.

• You're such a <u>buzz</u>kill.

Cat: ...!

Danna: The competitors have been summoned!

Lee: DANNA WHAT DID YOU DO!?

Danna: We're <u>locked in NOW</u>. < 3

Lee: <u>One</u> of us has to <u>marry her</u> if we don't <u>beat her</u>.

- CAT I'M ALSO LOOKING AT YOU!!
- THANKS FOR THIS!!
- LOTS OF FUN, LIFE OR DEATH ARENA BATTLES WITH THOSE TWO LOSERS!!

• FUCK YOU!!

Cat: HOW IS THAT POSSIBLE...!!??

• WHY DOESN'T EERIE BOW OUT!?

Lee: SHE <u>GOT</u> IT <u>FUCKING APPROVED BY YOUR FUCKING SELF</u> SHE CAN DO <u>WHATEVER</u> THE <u>FUCK</u> SHE <u>WANTS</u> TO <u>NOW!</u>

- DEAR FUCKING FUCK, BRAIN-KABOB!
- Cat, I THOUGHT YOU WERE SMARTER THAN THIS BY NOW.

He pauses to think.

Lee: <u>Unless</u> you're just as <u>bored and reckless</u> as <u>I am</u> now.

• *I suppose that would make sense*.

Danna: The <u>empress</u> de<u>crees</u>!

• *Her father the god* has asked the <u>competitors</u> to show their <u>merit in focus</u>.

Lee: You want me...!?

• *I never* could have guessed.

Danna: Not even behind bio-hazard glass, creep. <3

• *I just wanted to make you squirm*.

Eerie: *Losing isn't an option*.

• *This is so <u>unfortunate</u>.* 

Arrow: *Oh*, *I am SO losing*...*Danna*.

- <u>Mark</u> my <u>words</u>...
- <u>I'll</u> be the <u>divorcee</u>...

• <u>hehehe</u>...

Cat: <u>AHH!</u>

Lee: *Quit* shooting at my wife!!

Arrow: *It's <u>FUNNY</u>*. < 3

Lee: You're not going to kill <u>Danna</u> if you <u>lose</u>... < 3

Arrow: She'll never let ME die.

- *ONE of us has to*.
- *This* is *PERFECT*.
- CONDONED.
- <u>Don't ruin</u> this for me, <u>Lee</u>.

Lee: You frighten me, and not in a good way...

Eerie: *Excellent*.

- One fewer.
- *Lee*.
- I <u>assume</u> there is <u>no</u> share of the winnings that could persuade you to <u>let me</u> win by <u>default...?</u>

Lee: <u>Yes</u>...we're <u>on</u> the same <u>page</u> on <u>that</u> one, <u>bot</u>man.

• "Ew, yuck, get it away from me, I won't marry you, NO!".

Eerie: Precisely.

Lee: Well, <u>THAT</u> sucks.

• <u>You</u> seem pretty de<u>term</u>ined...

- *I'd <u>rather</u> do <u>battle</u> with the <u>guy throwin</u>' in the <u>towel</u>.*
- *Hey <u>emo</u>*.
- You <u>help</u> me <u>rig this</u>,
- *I'll give you some power to help you finish the job.*

Cat: ...They're planning your murder, Danna.

- Shouldn't you tell your "father" this isn't a very good idea anymore?
- Danna looks extremely pleased.

Danna: No.

- *No.*
- The <u>scene</u> is becoming <u>quite interesting</u>.
- We might have a real movie on our hands! <3

Cat: <u>Yeah</u>, you're the <u>next</u> Ed <u>Wood</u> alright.

• <u>Calm down</u>, please?

Danna: I see what Lee sees in a meek optional voice of reason forever at your elbow. <3

Cat: Umm...

Danna: <u>Scene</u> is a <u>wrap</u>!
• Take <u>five</u>!

Cat: <u>AHHH!!</u>

Danna: ARROW QUIT SHOOTING AT MITTENS!!!

### INTRODUCTION

-This is powerful nonsense. Immensely powerful nonsense. Treat the nonsense as serious or face dire consequences.

-The outcome of your trickster trials will give you new abilities and habits...and maybe some ironic backlash.

-Let the trickster find <u>you</u>, unless your task requires one as a last resort. You're likely turning your world upside-down every time you invite a trickster, though you should make them feel welcome <u>always</u>, even when you're afraid...Just choose your battles carefully, and make it <u>worth</u> it.

Danna: When this is *over*, we're making me a *movie poster*, *Mittens*. <3

- {As you <u>may have</u> noticed <u>earlier</u>, she got her <u>way</u>...9.22.16}.
- {As you <u>also</u> may have noticed, it was a <u>half-assed rush job</u> by Lee and I, and I let him use our <u>left</u> hand...11.25.17}.

Cat: ...I was a <u>little concerned</u> when it <u>stopped</u> being a no<u>vella</u>.

Danna: Don't worry.

- You join me for the adventure,
- you <u>stay</u> for the <u>birthday bonuses</u>.

Cat: Not really.

• Who's going to make your poster when Arrow's finished killing me?

Danna: I know, I know.

- *He's* the <u>best candidate</u> for <u>loser</u>.
- *He's just so bloody obvious, Mittens.*

Cat: It's your wedding, Danna.

Danna: *That's so true*, *isn't it?* < 3

• What colour <u>brides</u>maid dress do you want?

Cat: <u>Let's</u> discuss it when we <u>know</u> if I'll be <u>alive</u> for the wedding...

Danna: Excellent clerical decisioning again, Mittens. < 3

| • The three {voxes} enter.   |
|--|
| Arrow and Lee are wearinggladiator armour.   |
| • Eerie is dressed the same as he usually is.  |
|  |
| Danna: Why no <u>armour</u> , cutie? <3  |
| Eerie: Death is of little <i>con</i> sequence next to what you have done to them.  |
| Lee: <u>Really</u> ? • I find it <u>aerates</u> quite <u>nice</u> . <3   |
| • {Lee is craning his neck to check himself out from different angles9.22.16}.   |
| Arrow: Lee, <u>NO</u> one wants to see your <u>ass</u> , except <u>CAT</u> for some reason,  • and <u>I've</u> been <u>shooting</u> at her this <u>whole time</u> , so there's <u>no</u> way she's paying <u>attention</u> . |
| Danna: <u>ACTUALLY</u> , <u>SHE IS!</u> • <u>I'M ACTING AS HER BODY</u> GUARD! <3  |
| • {Cat appears to be in a fascinated state of shock9.22.16}  |

Lee: CAT, <u>FOCUS</u> BETTER!
• YOU WERE IM<u>PROVING</u>, RE<u>MEMBER!!</u>??

Cat: SHE HAS YOU IN THONGS, LEE, I WAS STARTLED!

#### Lee: <u>NO TIME</u> TO BE A <u>NERD!</u>

• GAWK WHEN I'M OUT THERE DYING OVER YOUR POOR EMPLOYMENT CHOICE!

Cat: I'M SORRY!

Lee: YOU WERE BEFORE I PUT THE ARMOUR ON!!

• I CAN <u>TELL</u>, YOU <u>KNOW</u>.

Cat: ...

Eerie: See.

• *Worse* than <u>death</u>.

Lee: What do YOU know?

Eerie: Such *things* serve no *purpose*.

- Such things are why I might be married.
- Such *things* are why...
- *Such...*
- <u>shu</u>...sch..<u>ch</u>...

Lee: ANOTHER OPPONENT DOWN!

• I AM VICTORIOUS!

Arrow: YA-HA!!!

Eerie: No.

- Eerie's eyes are glowing red a little.
- {...And of *course* Lee jumps to *conclusions*...9.22.16}.

Lee: He's poisoned.

• DANNA, YOUR RECKLESS COMPETITION BROKE EERIE...

Eerie: I shall never lose.

- If all shall be a crater before me,
- I shall not be married.

Lee: *Fuck*.

- Would you MAKE up your MIND?
- *I can't stand* it being impossible or sure every couple of seconds.

Danna: CAN I TELL YOU HOW TO DO THE EXERCISE YET? <3

- THIS IS BECOMING PAGES OF BUILDUP. <3
- ...and I think "i.ii" looks <u>awkward</u> as a <u>Chapter number</u>... < 3

Lee: FINE.

What do we do?

Danna: Take turns playing {Laundry Management}. <3

Lee: *The <u>kids'</u>* game we <u>play</u> while the <u>fries</u> are <u>browning</u>?

Arrow: Fuck no.

Danna: *Participation* is mandatory.

Nay-sayers are thrown into a pit of fire and demons. < 3

Arrow: What *kind* of *demons*? Danna: The *winged* kind. Arrow: Can I have a minute?

Danna: Just a minute.

Eerie: I shall never be defeated.

- Eerie's eyes glow fully red.
- The ground has melted slightly around his feet.

Danna: THAT's the SPIRIT. < 3

Lee: Like <u>THAT</u> asshole could <u>win</u>.

• *I'm the motherfucking <u>guru</u> of* {<u>Laundry Management</u>}.

Arrow: Can we <u>make</u> that a <u>chapter title</u>?

• Please?

Eerie: {*Laundry* management} is of *little* consequence.

• All shall be annihilated.

Arrow: Hahaha.

• {Cat frowns at Arrow...9.22.16}.

Cat: I'm <u>REALLY</u> not looking forward to <u>playing</u> as <u>you</u>...

- <u>Danna</u>.
- Can we pick a <u>shorter game</u>?
- <u>Fast crosswords</u> or something?

Danna: Not uniform, Mittens.

• Not <u>uniform</u>.

Cat: ...Can Arrow opt out?

• ...<u>please</u>?

Danna: Well, you each get a gold star for being polite.

• Arrow gets to do everyone's level one.

#### Lee: NOT RIGHT!!

• <u>NOT</u> RIGHT!!

Danna: He has to do it nicely, or play the whole game. <3

Arrow: DONE.

Eerie: You'd better be uniform, Arrow.

• <u>Do not test me</u>.

Lee: *Yeah*.

• <u>Don't</u> test him.

- We <u>still</u> don't actually <u>know</u> what's <u>happening to him</u> right now,
- and considering he's our "Cog-nitive function,"
- we should <u>probably</u> at least <u>CARE</u>.

Eerie: I shall go first.

Lee: <u>He</u> goes <u>first</u>.

- <u>Can</u> you get your <u>feet out of the ground</u>?
- You look about <u>half</u> a foot <u>shorter</u> now...
- from all the <u>ground-melting</u>, you <u>know</u>.

Eerie: *Don't be an idiot*.

• Eerie's voice sounds wrong.

Lee: *HOW* many voices was that?

- DANNA!
- <u>EERIE</u> NEEDS A <u>SICK DAY!</u>

Danna: STOP WASTING TIME!

- I'm <u>GOING</u> to a<u>LLOW</u> it!!
- <u>Arrow!</u>
- Ready <u>Eerie's level 2!</u>

Eerie: Get this right,

• or be a <u>memory</u>, <u>green</u>.

Arrow: *Fine*.

• You'll see why I WOULD have been a threat.

Danna: The score to beat is 38554. <3

Cat: Get <u>psych</u>ed, Lee.

Lee: Oh, <u>I'm psyched</u>.

• I need to get even with you after this, you know.

Cat: Even?

• You've <u>sold me to figures</u> by <u>not reading contracts</u>.

Lee: Fine.

- Even-<u>ER</u>.
- *This* trumps that.
- <u>Marriage</u> to <u>Danna</u> is the <u>WORST thing</u> you could do to me <u>after marrying the emo</u>.

Arrow: <u>IN YOUR FACE!</u>

• <u>122</u> on <u>DAY one!</u>

Eerie: Sufficient.

• I *suppose* I won't destroy you.

Danna: *And* 10139 for *Eerie*! <3

Eerie: ...Not <u>fair</u>...
• Not <u>possible</u>...

Lee: *The lost cash* is *cumulative*!

- IN YOUR <u>FACE!!!</u>
- THAT IS HOW 30K plus is POSSIBLE!!!
- AHA*HA!!*
- LOOK <u>CAT!</u>
- *AREn't* I IM*PRESSIVE!!!???*

Cat: ... Wonderful, Lee!

Wonderful!

Danna: <u>Something</u> for the <u>low blood sugar</u>, but <u>first</u>, <u>Level 1</u> by <u>Arrow!</u>

Arrow: *My turn to shine*!\*

Lee: AHA*HA*!

• You <u>typo</u>ed "<u>shit</u>"\*.

Arrow: We'll see if you get 122...

Danna: 149!
• Nice!

Lee: *In the <u>bag</u>*.
• *Why <u>try</u>?* 

• Cat frowns.

Cat: <u>*TRY*</u>.

Danna: *Eerie didn't know*.

- Before and AFTER add-ons.
  Check, add on, recheck.
  Tare weight, you know. <3</li>

Lee: Fucking <u>EAT</u>, Cat.

• {It turns out the rules work differently than <u>most games</u> of this genre. Buying the <u>equipment</u> ends the game, <u>not</u> reaching a certain level...9.22.16}

Cat: That was stupid...

Danna: And Lee wins with 21,000,000 points.

- {Eerie's *score* was <u>38554</u>, because he bought all his equipment <u>right away</u>, thereby ending the game <u>super quickly</u>...9.22.16}.
- {To show off, Lee refused to buy all the equipment, and just kept saving to twenty-one million...11.25.17}.

Cat: Again.

• That was stupid.

Danna: How so?

Eerie: You win when you buy all the equipment.

• <u>He just kept playing without buying the equipment.</u>

Danna: So, rematch, or Lee won?

Lee: <u>LEE WON!</u> < 3

Eerie: *Idiocy*.

• Let us <u>proceed</u> to try again.

Cat: I <u>said</u> it was <u>stupid</u>. I <u>didn't</u> say we should keep <u>trying</u>...

• Eerie's eyes begin to glow again.

Eerie: Again!

Cat: Whatever...

Lee: Yikes.

• *He goes first again, please*.

Cat: Are **YOU** why I keep saying "yikes"?

Lee: *No*.

• <u>Pinky's</u> on the <u>fritz</u>.

Cat: WHAT!?

Lee: She's not around lately, right?

- Fritzed.
- Glitch-tastic.
- Gone <u>rogue</u>.

Cat: We should go deal with that.

Danna: Not until you stop being the prize, Mittens,

- and only <u>then</u>, what's <u>left</u> of you,
- depending on who gets you. <3

Cat: Right.

- <u>*Great*</u>.
- <u>Let</u> the <u>laundry</u> begin?

Danna: <u>Don't</u> be sar<u>castic</u> Mittens.

• <u>Don't</u> let them rub <u>off</u> on you.

Cat: Or you?

| Danna: <u>I'm</u> not <u>sarcastic</u> , I'm a <u>subtle liar</u> . <3 • Let the <u>laundry</u> begin! |
|--|
| Arrow: <u>My</u> turn.   |
| Cat: <u>UUUGGHHH</u>   |
| Danna: I'm <u>warning</u> you, <u>Mittens</u> .  |
|  |
|  |
| Arrow: 149   |
| Eerie: Day 16: 4685  |
|  |
| Eerie: <u>Lee</u> next.  |

#### {Current Playlist: Superfly by John Savage}

Lee: Just look at our dates.

• We are REALLY avoiding this chapter, DANNA. <3

Danna: Aw, <u>Cat's</u> just avoiding the <u>laundry game</u>.

• I'm <u>assuming</u> because she's been <u>keeping up</u> with it <u>at last</u> in <u>real life</u>. <3

Lee: *I have been keeping up with it in real life*, thank you,

• <u>though</u> she's a <u>TERRIBLE</u> channel.

• {Note: See Wearing Exercise...2.10.17, 11.25.17}.

Cat: How would you know?

Lee: You're "future Cat".

• If you had a few *pounds* on you, we could *short*-form you to "*Fat*". *Also*, you have a *short form*. *Also*, *I'm mad at you*. *VERY*, *VERY*, *mad at you*.

Cat: *Use it*, and I'll let you <u>punish me later without a fuss</u>,

• if you don't marry Danna and kill me first.

• Arrow: 149

Lee: GOOD!

- CONSISTENCY!
- HE CAN GET SOMETHING RIGHT!

#### Arrow: I'll take it.

- Yes, Lee.
- *I <u>rock</u>*.

#### Lee: *I wouldn't say that*,

- unless it's twenty years from now, and "rock" means something else,
- or by "I" you mean me.

#### Arrow: Go try and fix this, will you?

- I don't want you married to Danna,
- because we <u>don't</u> know what <u>happens</u> if we <u>kill the human</u> in the <u>first place</u>...
- as <u>much</u> as <u>you and Danna</u> deserve each <u>other</u>.

#### Lee: *Good point*.

- She's the *all-powerful* "{Windy Fish}".
- *She might* be *nothing* or *everything*.
- We don't know.

#### Arrow: <u>Doom</u> knows.

• But <u>fuck</u> if she'll <u>tell me</u>.

#### Lee: *Alright*.

- We puked, but we NEED more coffee.
- I can't tell you why your body needs this, Cat, but it does.
- {More coffee did, in fact, improve matters on a <u>number</u> of occasions. Trust your body, and the figures who <u>repeatedly prove</u> that they know what it needs...6.9.17}.

Cat: *Is a <u>craving</u> a <u>delusion on your part?*</u>

Lee: No. You REALLY REALLY need it.

Cat: ... Three or four warm-ups first.

Lee: Yes then coffee.

Cat: I'm going to want to put a comma there, later.

Lee: Be a good, supportive wife now, will you?

Cat: <u>I'm</u> the one who "<u>dies</u>" to make way for your <u>new wife</u>.

Lee: Well deserved.

• You did this.

Cat: <u>Danna</u> did this.

Lee: *Three levels*.

Lee: Day 17, 8715

Lee: *NO!!!* 

• *NO!!!* 

• <u>NO!!!</u>

Arrow: YOU IDIOT!

• THOSE WERE ROOKIE MISTAKES!

Lee: <u>CAT WOULDN'T FEED ME COFFEE!!</u>

Cat: WE'VE GOT TOO MUCH CAFFEINE IN OUR BLOOD!

Arrow: YOU IDIOT MAMMAL!

Cat: DO YOU HAVE A BODY!?

Arrow: <u>Lee</u>, you'd <u>BETTER NOT LOSE TO ME!</u>

Lee: YOU LOST BY DEFAULT!

THERE ARE NO NEGATIVE POINTS IN THIS GAME!!!

Arrow: WHICH IS WHY YOU HAVE A POSITIVE SCORE, FUCKTARD.

Lee: THAT'S INAPPROPRIATE, ASS-FACE!

Cat: Shut up, please.

- <u>Danna</u>.
- What's the next challenge?

Danna: Best to get in you, my dear.

- {Danna is referring to something like a <u>waking lucid dream</u>...4.27.16}.
- {This has been attempted repeatedly with generally poor results, peppered with super-lucid drop-downs of epic, life-changing proportions. Treat with respect and courage of mood. Detached and secure confidence and complete surrender are both massive accelerants to Inner lucidity, as both were present prior to my entering these mysterious states which seemed to bend time itself and convert colour to emotional state. Unfortunately, there is no faking either confidence or surrender in the world of emotions...9.22.16}.

Cat: That hasn't been done.

Danna: I said "best", not complete.

Arrow: <u>BOOT!</u>

• <u>BOOT!</u>

• BOOT!

Danna: <u>He...might</u> win this game by <u>sheer intensity</u>...

Arrow: Sub<u>dued</u>.
• <u>Got</u> it.

Lee: Well NO ONE's LOUDER THAN ME!!

Danna: We know! <3

Lee: Time to win.

Cat: *How is this measured?* 

Danna: *Generally*, by *how memorable* their experience with you is.

- Can you <u>feel it</u>?
- Taste it?
- <u>Touch</u> it?

Cat: There are <u>parameters</u> on this no <u>doubt</u>...!?

Danna: You betcha Mittens. < 3

• They can't <u>scare</u> you or take you to Cartoon Prehis<u>toria</u>. <3

Cat: Well, <u>that's</u> a re<u>lief</u>.

Danna: Arrow's meditating.

• *I wish I'd thought of a way as good as this to shut him up when we were dating.* 

Arrow: You're *trying* to get a *rise out of me*, but it *isn't work*ing.

• I'm <u>humming</u> the <u>wedding march</u>, <u>see</u>?

Danna: You do know I'll best you every time, dear?

Arrow: And if you do, you'll have to live with a madman,

• or <u>do</u> something <u>murderous</u> and <u>decidedly bad</u> for <u>ratings</u>. <3

Danna: All publicity is good publicity, my dear Arrow.

Arrow: *You* root for the <u>under</u>dog.

- NO one is going to read your story HAHAHAHAHA!
- Not if you kill the underdog after starting him in adversity.

Danna: I'm cha<u>otic</u>, my <u>dear</u>. <3

| Arrow: And <u>I'm broken</u> .  • There's <u>nowhere to go but up</u> .   |

| Danna refocuses on the group.   |
| Danna: You <u>may each</u> use <u>any variety of techniques</u> to get her <u>in</u> • BESIDES emoting.  • Points (and memory) docked for that. |
| Lee: And how do we know we aren't bringing her in for each other?   |
| Danna: We <u>separate sessions</u> , <u>silly</u> . <3  |
| Lee: And she FLUCTUATES.  • How do we know that she is in an equally suggestible state for each of us?  |
| • {Not answered for some reasoninteresting4.28.16}.   |
| Arrow: <i>Lost by default</i> .   |

Danna: *Lost when you have the least impact*.

Cat: When do we start?
• We're in a text talk now.

Lee: *This* has <u>all</u> been a <u>nightmare</u>.

- <u>Danna</u>?
- *I hate you almost all of the time*.
- Do you know why?
- <u>Read</u> this <u>chapter</u>.
- *That's why*.

#### Cat: <u>Lee</u>.

- <u>Don't</u> harass the <u>judge</u> please.
- ARROW!
- I'LL <u>GET SOMEONE</u> TO <u>DEFLECT IT</u> IF YOU <u>KEEP SHOOTING!!</u>

Lee: <u>Hey</u>, I <u>ONLY wear this for special occasions</u>. <3

Cat: ...

Danna: Cat's <u>lookin</u>' again. <3

Cat: *I wasn't*...?

Danna: *Lies*. < 3

Lee: No.

- She's just confused.
- *Happens* all the <u>time</u> to the <u>poor little creature</u>.
- <u>Sometimes</u> a <u>good ZAP</u> clears it out, you <u>know</u>.
- TO THE ASS OR FACE, OR WHEREVER.

Cat: Still mad?

Lee: *Mad* until I get to cheer <u>Green</u>mo down the <u>aisle</u>.

- <u>Danna</u>.
- What's next?

Danna: Why...

• You must all fight...

Lee: Yes.

• *I know*.

But <u>what</u>?

Arrow: You know WHAT?

Lee: *This has a formula...* 

- are you too stupid to see it?
- *None* of this <u>meant anything</u>.
- *Just the last part*.

Cat: *Don't say that*.

- We didn't stagger that far through a children's <u>laundry</u> game for <u>no reason</u>...
- <u>please</u>.

Eerie: If what she says is true, we have suffered the greatest injustice...

• Eerie's eyes glow their worst yet, and his tense body is still.

Lee: Wow.

• I thought <u>I</u> was <u>mad</u>...

Cat: What do they fight?

Danna: No-looksies.

Cat: Can we <u>scale</u> back the "jumpsies" and "looksies"?

• They <u>anger me a little</u>...

Lee: *That's* because you can *feel them anger me*.

Cat: ...You started it...

• <u>didn't</u> you?

Lee: Yeah.

- But <u>others</u> were supposed to <u>hate it</u>.
- <u>That</u> was an <u>over</u>sight.
- ...So I <u>win</u>, <u>right</u>?
- Cat <u>trusts me</u> more than <u>those two</u>.
- She'll <u>looksies-past them</u> and I'll <u>outdo them</u>.

Danna: She is your lock-on.

Lee: Excuse me?

Danna: Whoever can see best as Cat wins. < 3

Lee: Excuse me?

Danna: You use her to do the dishes.

• <u>She</u> uses <u>you</u>.

Lee: Again,

- <u>I'll</u> be <u>best</u>,
- but no <u>say</u>ing I'll beat you.

Danna: If you all win, Arrow will marry me, and Cat will go to Lee. <3

Lee: It's settled.

Danna: Cat only.

Twerp: <u>Danna</u>.
• You <u>wish to combo</u>?

Danna: I do indeed. < 3

Danna-Twerp: It is <u>okay to hate God sometimes</u>...

Lee: What a godsawful voice...

### Cat: <u>Lee</u>!

- What do we do!?It isn't working!

Lee: And it's still solely attacking you...

- Even though we're <u>shielding</u>...
- As <u>Twerp</u> is still <u>embedded</u>...
- <u>Cat!</u>
- We <u>need</u> to do this <u>quickly</u> and <u>effectively</u>.
- A bit more prep time should help.
- Then do ex<u>ACTLY as I say</u>.

Cat: Okay!

Lee: See THAT thing as God.

- *Hate* it.
- <u>Love</u> it.
- But <u>see</u> it as <u>God</u>.

Cat: I see why you were specific...

Lee: No questions.

• <u>DO it</u>...

Cat: Not even—

Lee: -FUCK YOU, LOOK AT IT RIGHT!!

- A wavering, weak blue and white light writhes around the giant that is Danna and Twerp, from floor to ceiling.
- They begin to melt.

Danna-Twerp: FUCK YOU!!

| <ul> <li>THERE SHALL BE NONE TO PASS.</li> <li>NONE SHALL COME TO PASS!!!</li> </ul>  |

| Lee: <u>Don't fucking CARE</u> what that <u>means</u> • <u>Cat</u> .  • It's <u>trying to distract you</u> .  • <u>Focus</u> .  |
| Cat: <u>SHIT!</u> • It's <u>re-almost-dislocating</u> my <u>sore shoulder!</u>  |
| • {By <i>this</i> she means there is a <u>stabbing pain whenever she breathes in</u> , anywhere <u>near</u> the sor shoulder, (but she <i>is exaggerating the severity</i> here)4.27.16}. |
| • {We managed to <u>cure that one long before</u> learning about the magic of a good chiropractor11.25.17}.   |
| Lee: <u>GOOD!</u> • <u>That's</u> where it re <u>sides!</u>   |
| Cat:  |
|   |

Lee: Be there!

- Make <u>THAT</u> God.

  The <u>mystics said so, fuck</u>tard.

{What culture was this from? What article <u>suggested</u> this? Is this just talking about <u>oneness</u>, or <u>something else</u>?...2.10.17}.

| Cat: If <u>anything</u> , God is going to rip my <u>shoulder out of its socket</u> for letting you <u>go off as you do</u> . |
|--|
| Lee: <u>You</u> know that's <u>shit</u> .  • <u>FOCUS</u> .  |
| Cat: It's <u>not affecting them</u> .  |
| Lee: <u>MONSTER!</u> • <u>HOW</u> DO WE <u>SEPARATE YOU!</u> ?   |
| Danna: YOU DO NOT KNOW THE NATURE OF TWERP!  |
| Lee: <u>AND</u> WE <u>KNOW</u> THE <u>FUCK</u> OUT OF <u>YOU DO WE</u> ?   |
| Danna: Go <u>deeper</u> .  • Send <u>Cat to Twerp</u> .  |
| Her voice sounds hollow and recorded.  |
| It hisses and goes out.  |
| The creature howls, and emits a shockwave.   |
| Cat feels wrong in the middle.   |
| Cat: <u>Lee!</u>   |
| Lee: <u>FOLLOW</u> .  • <u>MY</u> .  • IN <u>STRUCTIONS</u> .  • <u>MORON</u> .  |

Cat: [...].

#### Lee: *Better*.

- <u>Direct</u> it to <u>God</u>.
- You <u>do not</u> hold <u>back</u> from those you <u>love</u>.
- You <u>tell them</u>.
- Let God have it in THEM.
- Cat looks at him like he's crazy.

Cat: Again...WHAT!?

Lee: *Fuck*.

• Be<u>lieve</u> in me, <u>will</u> you?

Cat: That wavery energy is coming up again.

Lee: We're bringing God in to save us. <3

Cat: <u>WHAT!!!???</u>

• THAT'S YOUR PLAN!!??

Arrow: *That's the only plan*, *turd-head*.

• <u>Listen</u> to your <u>stupid-ass husband</u>, will you?

Eerie: I <u>must</u> agree.

Cat: <u>DAMMIT</u>, GUYS, <u>WHERE'S DOOM!</u>?

Eerie: Going off about the Beacon and tending to the pink one.

Cat: The beacon...

Lee: Is to be found in them as much as anything,

• and they are <u>KIND OF</u> WHAT WE SHOULD BE <u>FOCUSED ON NOW!</u>

Cat: What is happening to my SPINE!?

Lee: *Healing*.

- I <u>assure</u> you.
- I <u>assure</u> you,
- <u>healing</u>.

Cat: Why repeat—

Lee: -FOCUS FOR FUCK'S SAKE!!

• Focus in on TWERP!

Cat: <u>DANNA MONSTER!</u>

- THAT'S A SPOILER!
- TWERP HASN'T BEEN INTRODUCED YET!

Danna-Twerp: <u>YOU SHALL DIE!!</u>

Lee: <u>Doooon't</u> think it's <u>listening</u>...

Cat: Uh.

- <u>Yeah</u>.
- <u>How</u> do we separate <u>chaos</u> from <u>anything ELSE!?</u>

Lee: *Look for a pattern?* 

Cat: *She has unpatterns* of *patterned unpatterns*.

• I don't think we're finding help here.

Lee: *Draw it out*.

Cat: ... Twerp!

- <u>Danna</u> wanted you underground!
- <u>Whu</u>?

Twerp-Danna: <u>DON'T</u> you <u>complicate</u> this.

Cat: It's SIMPLE to you?

Twerp-Danna: *Oh-so*.

- You care about <u>God</u> more so than <u>uourself</u> more so than <u>us</u>.
- *But* <u>not so</u>.
- You care to hatred.
- Hatred you care to.
- <u>Bow</u> before your <u>hatred!</u>
- Cat is confused.

Cat: <u>LEE!!</u> <u>WHAT</u> THE <u>HELL</u> DO WE <u>DO</u>!?

\*Lee: *Feel hatred honestly with the* intention of loving again when it's over.

- Are you as big a turd-head as Arrow says?
- Can't you be "very mad" without hating?
- *Is it that "mad" has never been accessible except by overflow?*
- That's it.
- \*You only experience the overflow of "mad".
- Fuck I wish I could hold onto that card a few more months...
- {Cat realizes that she is <u>resisting low-level anger</u> and <u>makes an effort</u> to allow it to flow...4.27.16}.

Arrow: You've been holding out on us?

Lee: *Overflow* is a <u>handy tool</u>.

Twerp: For THIS you starve us, "LEE"?

Lee: Quit with the spoilers you nasty little gremlin.

#### Twerp: *No*.

- NO.
- *I fight* because my food has been withheld,
- and here <u>he is</u> keeping the <u>cow from cashin</u>'.
- I'll kill him.

#### Arrow: *Look*.

- You're an evil little girl.
- I can talk to you like a mature and responsible person...
- *He's* the <u>one</u> who <u>did this to you</u>,
- so why don't you pick him up,
- <u>take</u> him <u>over there</u>,
- and <u>eat his head</u> like a <u>proper dragon or something</u>...?

Twerp: *I'm more frightening than any dragon*.

Lee: She's my demon...

- {Wait, wait, wait... *NOTE TO SELF!*...9.22.16}.
- {So confusing. Is this just another one of Lee's bluffs?...3.27.17}.
- {Yes, but why THIS BLUFF!?...6.9.17}.
- {It's Lee. Power is always the reason for his bluffs...11.25.17}.

Cat: What's she doing possessing me and attacking me from inside my form??

Lee: I'm YOUR demon...

- This is <u>really quite basic</u>...
- {Did we *miss* something here? *Twerp* seems to have <u>left Danna</u> rather <u>easily</u>...6.9.17}.

Danna: *My*, *my*...

• *I sure do feel good having the <u>demon</u> out. <3* 

Lee: Well, you PUT it there...

Danna: I'll do virtually anything for ratings...<3

Lee: You <u>REALIZE</u> this <u>isn't a real TV show</u>...

• For <u>fuck's sake</u>.

• This is <u>all taking place</u> on <u>Cat's kitchen table</u>.

Danna: Anything.

Lee: Well, when's the wedding?

Danna: Next episode. <3

Lee: *How nice for you two*. <3

Arrow: You're just jealous YOU don't get to kill her.

Lee: Just keep talking, emo.

• It won't happen, ever.

• You're <u>saddled</u> to this for<u>ever</u>.

Arrow: You're just jealous YOU don't get to kill her.

Lee: Warn us so we can copy and paste you next time...

• Fuck.

Eerie: *Marriage* has been <u>averted</u>.

- I will <u>never</u> allow such a thing to happen <u>again</u>.
- From <u>now on, Chaos</u> is my <u>enemy</u>,
- and would <u>do well</u> to <u>avoid my kind</u>.

· Eerie vanishes.

• {Note to self: *Danna* is likely *banned on sight* in the *Cognitive Realm* now...4.27.16}.

Lee: They hang like a bunch of creepy white bats, you know. <3

Cat: I've been to visit the Cogs with you.

Lee: *I know*. *Arrow* could never make it to that elevation, though.

Arrow: I've been at higher elevations than YOU!

Lee: Never seen it...

Arrow: BECAUSE YOU WEREN'T THERE!

Lee: Don't believe you...

Arrow: I can prove it!

Lee: Don't care...

Cat: Well, <u>YOU seem</u> in better <u>spirits</u>...

Lee: <u>This</u> is my <u>public face</u>, <u>Cat</u>. <3
• <u>You know that!</u>

Cat: It's kind of your private face after we eat bacon or cheese, too.

Lee: ... You AREN'T off the hook.

• I'm <u>SUPER mad at you</u>.

Cat: ...The house is clean...

| Lee: And <u>exactly who did you channel to do that</u> ?                                      |

| Cat: <u>You</u> channelled your <u>self</u> into the <u>house</u> cleaning <u>pretty easy</u> |

| Danna: Guess <u>not</u> . <3 • If you're <u>mad now</u> , make sure you check "chicken <u>zilla</u> " for your <u>dinner</u> on your RSVP. • The <u>fish</u> may have <u>eaten someone</u> <3 |
| Cat:  |
| Danna: <u>Uh</u> -oh.  • <u>Doomie</u> ?  • I think <u>Mittens</u> might <u>quit on me</u> .  • What do I <u>do</u> ?   |

Cat: .....

#### Danna: <u>Doomie?</u>

- *Oh <u>yeah</u>.*
- *She* <u>hates me</u>.
- I think it's because I refuse to stop calling her Doomie.
- *Think* she'd prefer the <u>fish</u>?
- *I'm* not sure how to find her PO box.
- <u>Doomie</u>?
- Do you <u>want</u> the chicken<u>zilla</u> or the <u>fish</u> for <u>dinner</u>?

#### Arrow: AND FINDS ITSELF DEAD!

• <u>SEE YOU NEXT WEEK!</u> <3

Lee: You lack SO much in subtlety...

- *Quite* the <u>ego boost</u>, <u>emo</u>.
- Aren't you supposed to be subdued to subscribe to that appearance?

Arrow: We've spent nearly <u>5000 words</u> in <u>Danna's deathmaze</u> and <u>come out alive</u>.

Lee: I'm <u>not</u> sure about <u>you</u>...

Arrow: <u>You'll</u> see!
• You'll all see!

Lee: *Well*, *this* should be the most interesting wedding since <u>ours</u>.

Cat: Which one?

Lee: Good point.

- *The escapes were almost more exciting than the real thing.*
- *Not that <u>victory</u> wasn't the <u>sweetest</u>.*

Arrow: *Victory*.

Arrow: That wasn't a CACKLE!!!

Danna: Hear the recording...<3

Danna: Wha-haha! Nice. <3

- The try I mean.Why?

Lee: I have to be <u>present</u> for the <u>whole fucking thing</u>...

Danna: And there you have it.
